

# Screening service for your track

Ideal for periodic maintenance of horse racing tracks, training tracks and arenas, our track screening equipment lifts the racing cushion material, sifts it and directly replaces it, leaving a clean, level surface.

- **STONE REMOVAL - 1/2" AND UP**
- **REMOVE DEBRIS SAFELY, QUICKLY AND EASILY**
- **CONDITION AND SANITIZE UP TO 6" DEEP**
- **CREATE A LEVEL SURFACE WITH NO RIDGES, IMMEDIATELY READY FOR TRAINING AND RACING**

**Call today to see how we can serve you and your track**
