

# TOUGH ENOUGH FOR A SPORTS FIELD TOO GOOD NOT TO USE AT HOME

Mountainview has been building a reputation for over 30 years as a supplier of quality home-grown sod and friendly knowledgeable service. Most people know us as a favourite of golf courses, municipalities and school boards but you'll be happy to know that we service homeowners and landscapers as well.

It only makes sense. After all, we're a family-built business—committed to forming close relationships with our customers whether they have acres and acres of fairways or a quaint backyard retreat.

## Products:

- Nursery Sod
- Turf seed
- Topsoil (Comes packaged in our re-sealable Super Sac of Soil)
- Fertilizer for Spring, Summer and Fall Applications

## Services:

- Sod supply and Installation
- Seeding
- Hydro-seeding
- Home delivery

## Nursery Grown Sod:

Our sod is grown to the exacting standards of the most discerning turfgrass users. Surround your home with the same pristine grass that graces some of the most prestigious golf courses in town.

Our specially sized residential sod comes in 10 square foot rolls. Before it even arrives, you'll know what to expect from our sod. It comes with a pre-purchase guarantee of colour, density and texture. Once delivered, your grass will be easy to maintain thanks to professional installation (should you choose) and an easy to understand Care Kit. We want to be sure that your grass is establishing as you hoped it would, so even after we're done we'll be available to attend to any problems that may have arisen.

## The Mountainview Advantage:

- Everything is handled in-house. From sod to topsoil, installation to delivery, we take care of it all. As a result, you can count on better pricing, a broad range of expertise and absolute accountability by purchasing everything from one supplier.
- With our own fleet of trucks and equipment, we can respond to your needs quickly and let you know exactly when your delivery will be arriving.
- Our residential division has the equipment and manpower to install your turf quickly with no mess or disruption to your property.
- Quality of product and service are assured. For homeowners, this is a promise that you'll receive exactly what you asked for and more. For landscapers, this means partnering with a supplier committed to helping you uphold your standards and deliver on guarantees you've made to your customers.
- We service a vast territory from Belleville to Montreal through the 401 Corridor.
- We're fully bilingual and looking forward to serving you in the language of your choice.
